## HOUSE CONCURRENT RESOLUTION

---

A CONCURRENT RESOLUTION claiming sovereignty under the Tenth Amendment to the Constitution of the United States over certain powers, serving notice to the federal government to cease and desist certain mandates, and providing that certain federal legislation be prohibited or repealed.

*Whereas, The Tenth Amendment to the Constitution of the United States proclaims that "The powers not delegated to the United States by the Constitution, nor prohibited by it to the States, are reserved to the States respectively, or to the people";*

*Whereas, The Tenth Amendment defines the total scope of federal power as being that specifically granted by the Constitution of the United States and no more;*

*Whereas, The scope of power defined by the Tenth Amendment means that the federal government was created by the states for the specific purpose of being an agent of the states;*

*Whereas, Today, in 2010, the states are demonstrably treated as agents of the federal government;*

*Whereas, Many federal laws are in direct violation of the Tenth Amendment to the Constitution of the United States;*

*Whereas, The Tenth Amendment assures that we, the people of the United States of America and each sovereign state in the Union of States, now have, and have always had, rights the federal government may not usurp;*

*Whereas, Article IV, Section 4 of the Constitution of the United States states that "The United States shall guarantee to every State in this Union a Republican Form of Government", and the Ninth Amendment to the Constitution of the United States states that "The enumeration in the Constitution, of certain rights, shall not be construed to deny or disparage others retained by the people";*

*Whereas, The United States Supreme Court has ruled in New York v. United States, 112 S. Ct. 2408 (1992), that Congress may not simply commandeer the legislative and regulatory processes of the states; and*

*Whereas, A number of proposals from previous administrations and some now pending from the present administration and from Congress may further violate the Constitution of the United States: Therefore,*

*Be it resolved by the House of Representatives  
of the General Assembly of the State of Indiana,  
the Senate concurring:*

- 1       SECTION 1. That the State of Indiana hereby claims sovereignty
- 2       under the Tenth Amendment to the Constitution of the United States
- 3       over all powers not otherwise enumerated and granted to the federal
- 4       government by the Constitution of the United States.
- 5       SECTION 2. That this resolution serve as Notice and Demand to the
- 6       federal government, as our agent, to cease and desist, effective
- 7       immediately, mandates that are beyond the scope of these
- 8       constitutionally delegated powers.
- 9       SECTION 3. That all compulsory federal legislation that directs
- 10      states to comply under threat of civil or criminal penalties or sanctions
- 11      or requires states to pass legislation or lose federal funding be
- 12      prohibited or repealed.
- 13      SECTION 4. That the Principal Clerk of the House of
- 14      Representatives transmit a copy of this resolution to the President of
- 15      the United States, the President of the United States Senate, the
- 16      Speaker of the United States House of Representatives, the Speaker of
- 17      the House and the President of the Senate of each state's legislature,
- 18      and each member of the Indiana Congressional delegation.
